

# Beauty in a New Light

**Minerelles™**  
by Shaklee

Our new Minerelles cosmetics collection enhances your natural beauty while improving the condition of your skin. Natural minerals provide rich colors that help protect your skin and give you a luminous glow. Minerelles combines the protective benefits of natural ingredients with the exceptional performance of high-end department-store cosmetics.

#### **Minerelles at a glance:**

- Rich colors derived from nature enhance your natural beauty
- Created from natural minerals that reflect light and protect skin
- Reveals your beauty by obscuring the appearance of fine lines and wrinkles
- Luminous, weightless formulas allow skin to breathe
- Triple-patented Vital Repair+® helps protect and renew skin
- Contains no talc or other harsh, drying fillers
- Hypoallergenic, dermatologist tested, fragrance free, and not tested on animals
